STANDING OUTSIDE THE SOUTH BUILDING, STUDENTS READ THE NEWS AND VIEWS OF BHS IN THE BOONE HI LIGHTS

Because of their never failing spirit, their cooperation in making all school projects a success, and because of the friendliness, interest, and the untiring efforts of all persons associated with our school, we dedicate this first Boone Legend to the administration, the faculty, the custodians, the cafeteria helpers, and especially to the students of William R. Boone high school.

Annell Rogers, Editor-in-Chief, of first Boone Legend

This year our staff has tried to give you a complete record in pictures and writing of our first history-making year. We invite you to enter with us through the doors of learning; of activities and sports. See yourself working in classrooms, planning activities at club meetings, and cheering at ball games.

In the years to come, you, who are here, leaf through the pages of your '53 Boone Legend and renew the memories of your days spent at Boone.

We leave this record for all who are to come after us that they may see what we did this first year at W. R. Boone High School.

ANNELL ROGERS

Editor-in-Chief

Excited students await the opening of the auditorium doors on the first day of school.

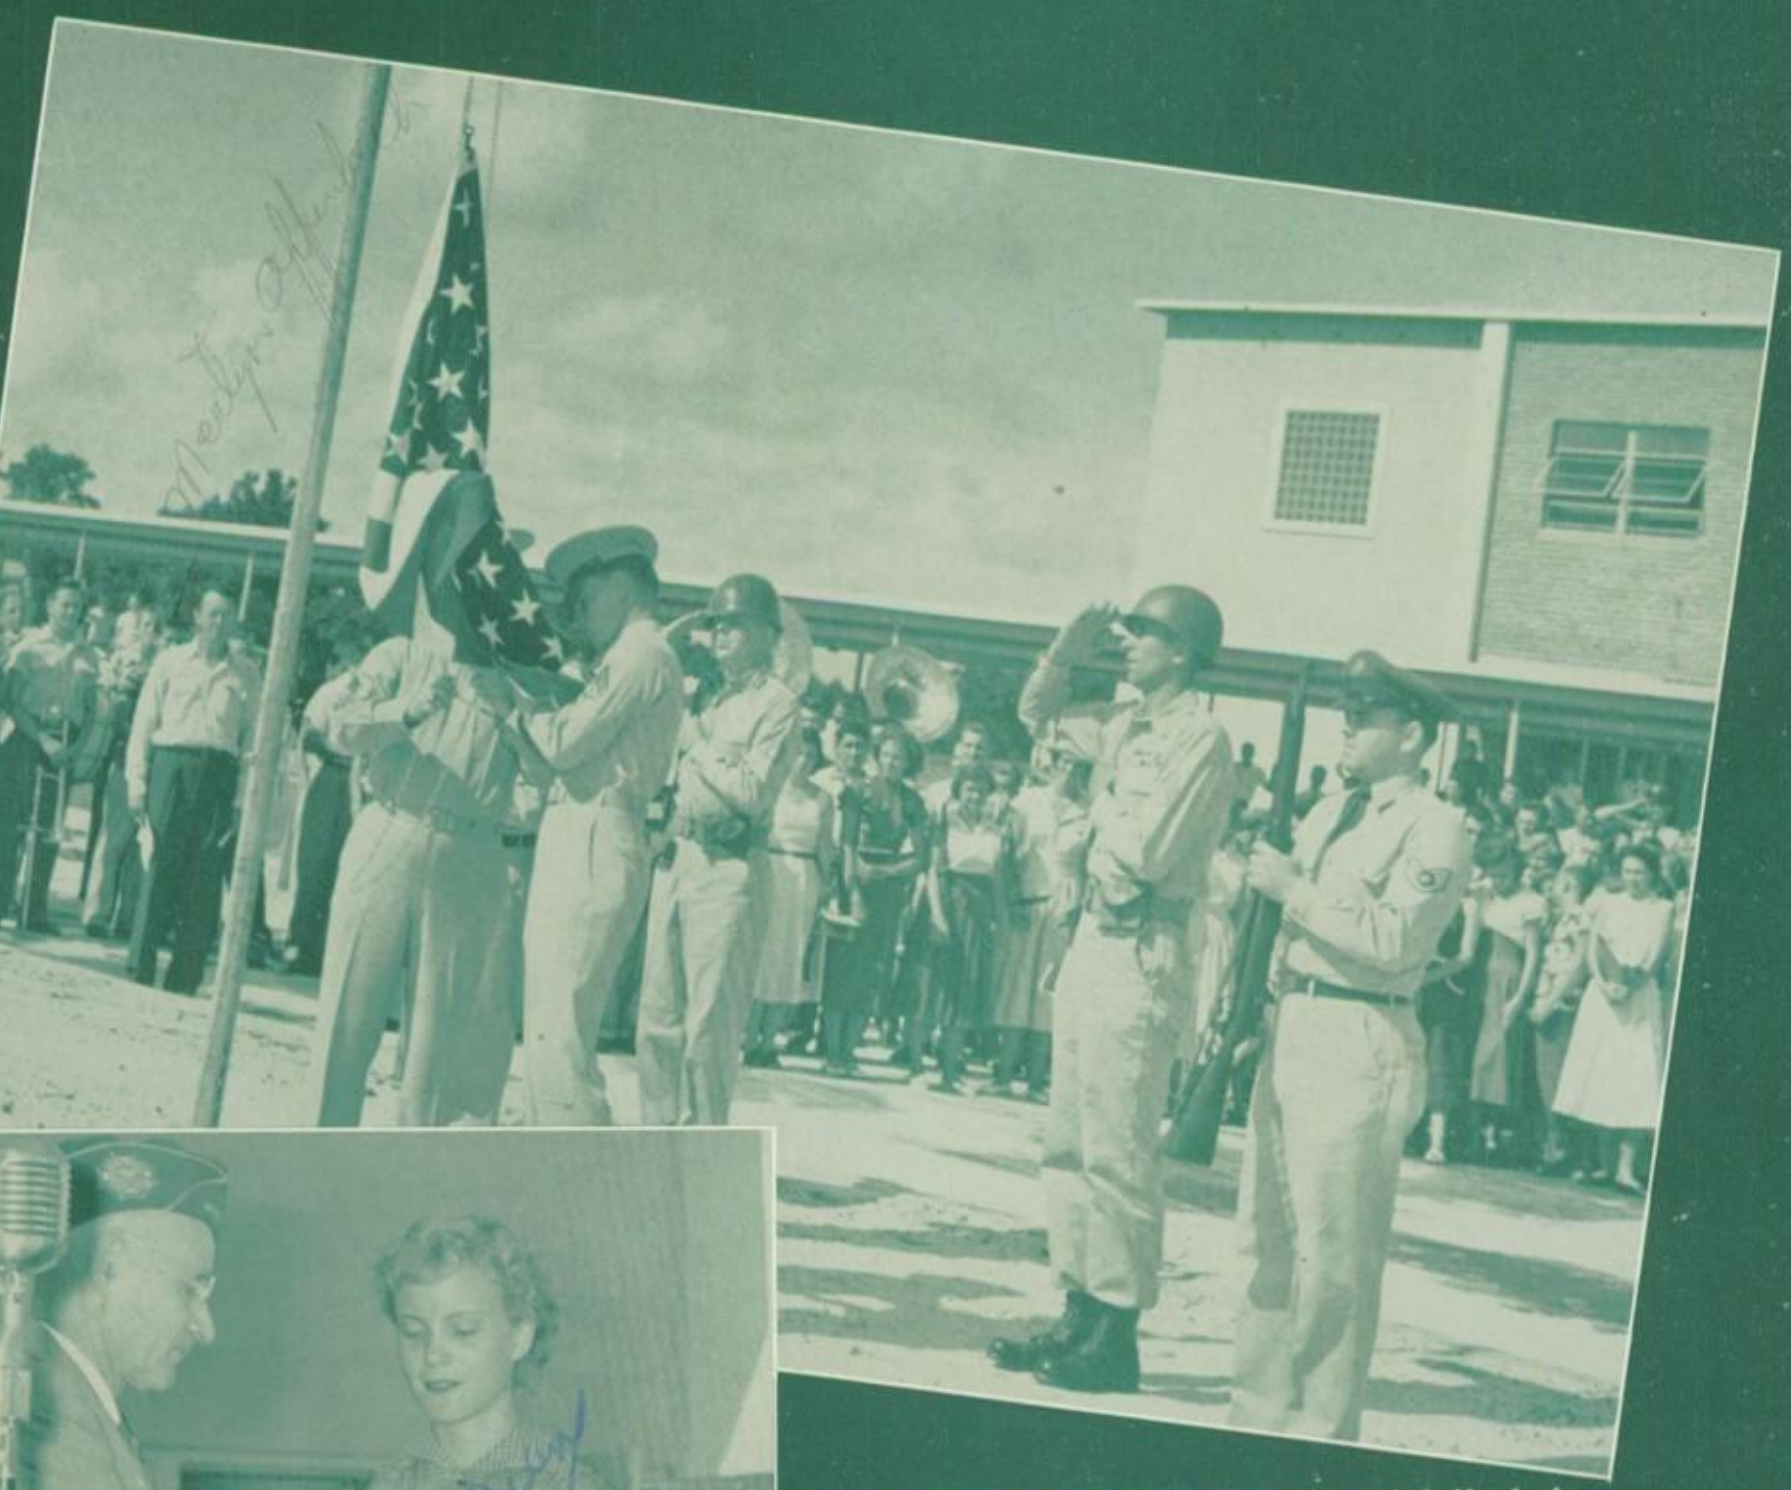
FOLLOW US THROUGH THAT FIRST WE DEDICATE OUR NEW BUILDINGS

September saw us waiting to enter the auditorium to get our first glimpse of our new building—meet our faculty and new principal.

Mr. Kipp seems to be selling himself to the student body as he speaks for the first time in the W. R. Boone auditorium.

Donna Eldridge, granddaughter of the late W. R. Boone, breaks a bottle of water on the flagpole as she participates in dedication exercises.

MEMORABLE DAY AT OUR NEW HIGH SCHOOL AS
TO OUR FORMER FRIEND AND PRINCIPAL, WILLIAM R. BOONE.



Humbly, Jean Porter accepts on behalf of the student body the flag presented us by the American Legion and a color guard from the Orlando Air Force Base raise it as respectful students stand by.

. . . Our School

This aerial view of our school taken on "BITTER BLUE" DAY reveals our entire school. At the left is our gym, cafeteria and bandroo ground with its orange grove and tiny lake.

Charlotte and Bud, sophomores of 1951, eagerly scan the headlines for news of the proposed new high schools.

In 1951 the headlines read "City To Get Two New High Schools." The talk was that sophomores might graduate from a new school. Now, two years have passed and with it the dream of two new high schools has come true. Our $1,000,000 school, named for the former beloved principal of O.H.S., William R. Boone. opened its doors in September of 1952.

The Ag. class under the supervision of J. Bates Johnson, Mrs. G. B. Fishback, Chairman of Grounds Beautification Committee; and Mrs. A. S. Brim, active member of the committee; break the ground for the first planting of shrubbery.

BITTER BLUE DAY was a turf job, but we won. Remember unloading the sod from the trucks. Then some of it had to be cut into sprigs and carried in wheelbarrows to different parts of the ground where eager planters were all ready to get started. We all had certain jobs to do as we planted our school desert in grass just before the Christmas holidays.

Each class had a different part of the grounds to do, so it really didn't take long to plant the three acres. Everyone seemed to enjoy getting on his hands and knees and planting the bitter blue grass. The idea of the planting originated with our principal, Mr. Earl Kipp, and the Student Council officers.

The King and Queen of **BITTER BLUE DAY** were chosen by the applause of the students from a group of six who were named by the class sponsors as those who worked hardest during the morning. Then our King and Queen toured the newly planted grounds in a tractor-pulled carriage.

Even the teachers got into the swing of things. Here they were caught clowning, but they worked right along with the students to make **BITTER BLUE DAY** a huge success. This cooperative spirit is characteristic of our first year at Boone.

Our new Alma Mater means much to the students here at W. R. Boone High School. For the Seniors, it is a farewell song to classmates and fond memories. For the Juniors and Sophomores, it holds a pledge of loyalty that is foremost in the heart of each and every student.

Proudly we wear our rings bearing the official seal of Boone High School. This emblem came from the combined efforts of Maxine Butler and Jimmy Armstrong. Pictured on the seal are the torch, representing knowledge; the winged foot, representing athletics; and the Indian which signifies our own Boone Braves. For our motto, we have adopted "Semper cum virtute" — always with courage.

Students catch their first glimpse of the William R. Boone Memorial and reverently read its words just as it's setting is completed on Mr. Boone's birthday, January 20.

This is a simple tribute to a man who lived simply, honorably, and unselfishly; one who was greatly beloved by his students and faculty and respected by his fellow citizens—the late William R. Boone, former principal of Orlando Senior High School from 1932 to 1952.

His stay with us ended with the closing day of OHS, but the memory and inspiration of his life will ever be in our hearts. Our school is named in his honor. "May we ever wear his name proudly."

"Others, Lord, Yes, others
Let this my motto be,
Help me to live for others
That I may live like Thee."

Principal Earl Kipp and his Staff Have

R. EARL KIPP, B.S., M.A., first Principal of W. R. Boone High.

Earl Kipp

R. Earl Kipp, principal of our new W. R. Boone High School, received his B.S. and M.A. degrees at the University of Florida. He did graduate work at Stetson, Auburn, and Florida State Universities. He was a teacher and assistant principal at Seminole High School; and principal of Sanford Grammar and Sanford Junior High schools before accepting the position of General Supervisor, Orange County Board of Public Instruction. He has served as Instructor in Education, Stetson University. In his first year as Principal, Mr. Kipp has inspired the respect and confidence of the student body by his fairness and understanding.

Kipp and the office admire congratulatory flowers received on opening day.

A WORD TO THE SENIORS

To you, the first graduates of the William R. Boone High School goes our heartiest congratulations upon this first milestone of your educational career. In every way—scholastic, athletic, in school spirit, sportsmanship, and exemplary character—you have established great traditions for those who follow through the years.

May your many achievements stand you in good stead as you travel down life's highways. We travel with you in spirit and thought, with outstretched arms that the great Benefactor may always be at your side.

R. Earl Kipp
Principal

ably met the challenge of a New School . . .

What would we ever do without Miss Ruth Mier, our Assistant Principal? We're afraid there would be many questions unanswered and countless things left undone. Miss Mier, who hails from Pennsylvania, takes care of all attendance and state reports. Capable and helpful Miss Mier—what would we do without her!

Popular with everyone, especially the Seniors, and so full of fun is Miss Anne Bruce, our Registrar. She was once a gym teacher at OHS, but now keeps busy handling transcripts, guidance, and changes in schedules. She's always ready to lend an ear to our troubles no matter how busy she might be.

Congenial and helpful, Mrs. Julian Hyer, Dean of Girls, spends her time supervising the clinic and giving guidance to those seeking the right position in their life work. She also trains girls to take care of people who are ill. Always ready to help when we need her, she's a friend to everyone.

George Foti, Athletic Director, has the job of promoting scholastic attainment in sports and keeping good public relations between our school and others. Those are not the only things he has to do, though. Handling Varsity finances and scheduling games are just as important and necessary a part of his work.

MISS RUTH E. MIER, Assistant Principal; B.A., ~~A.B.~~ M.A

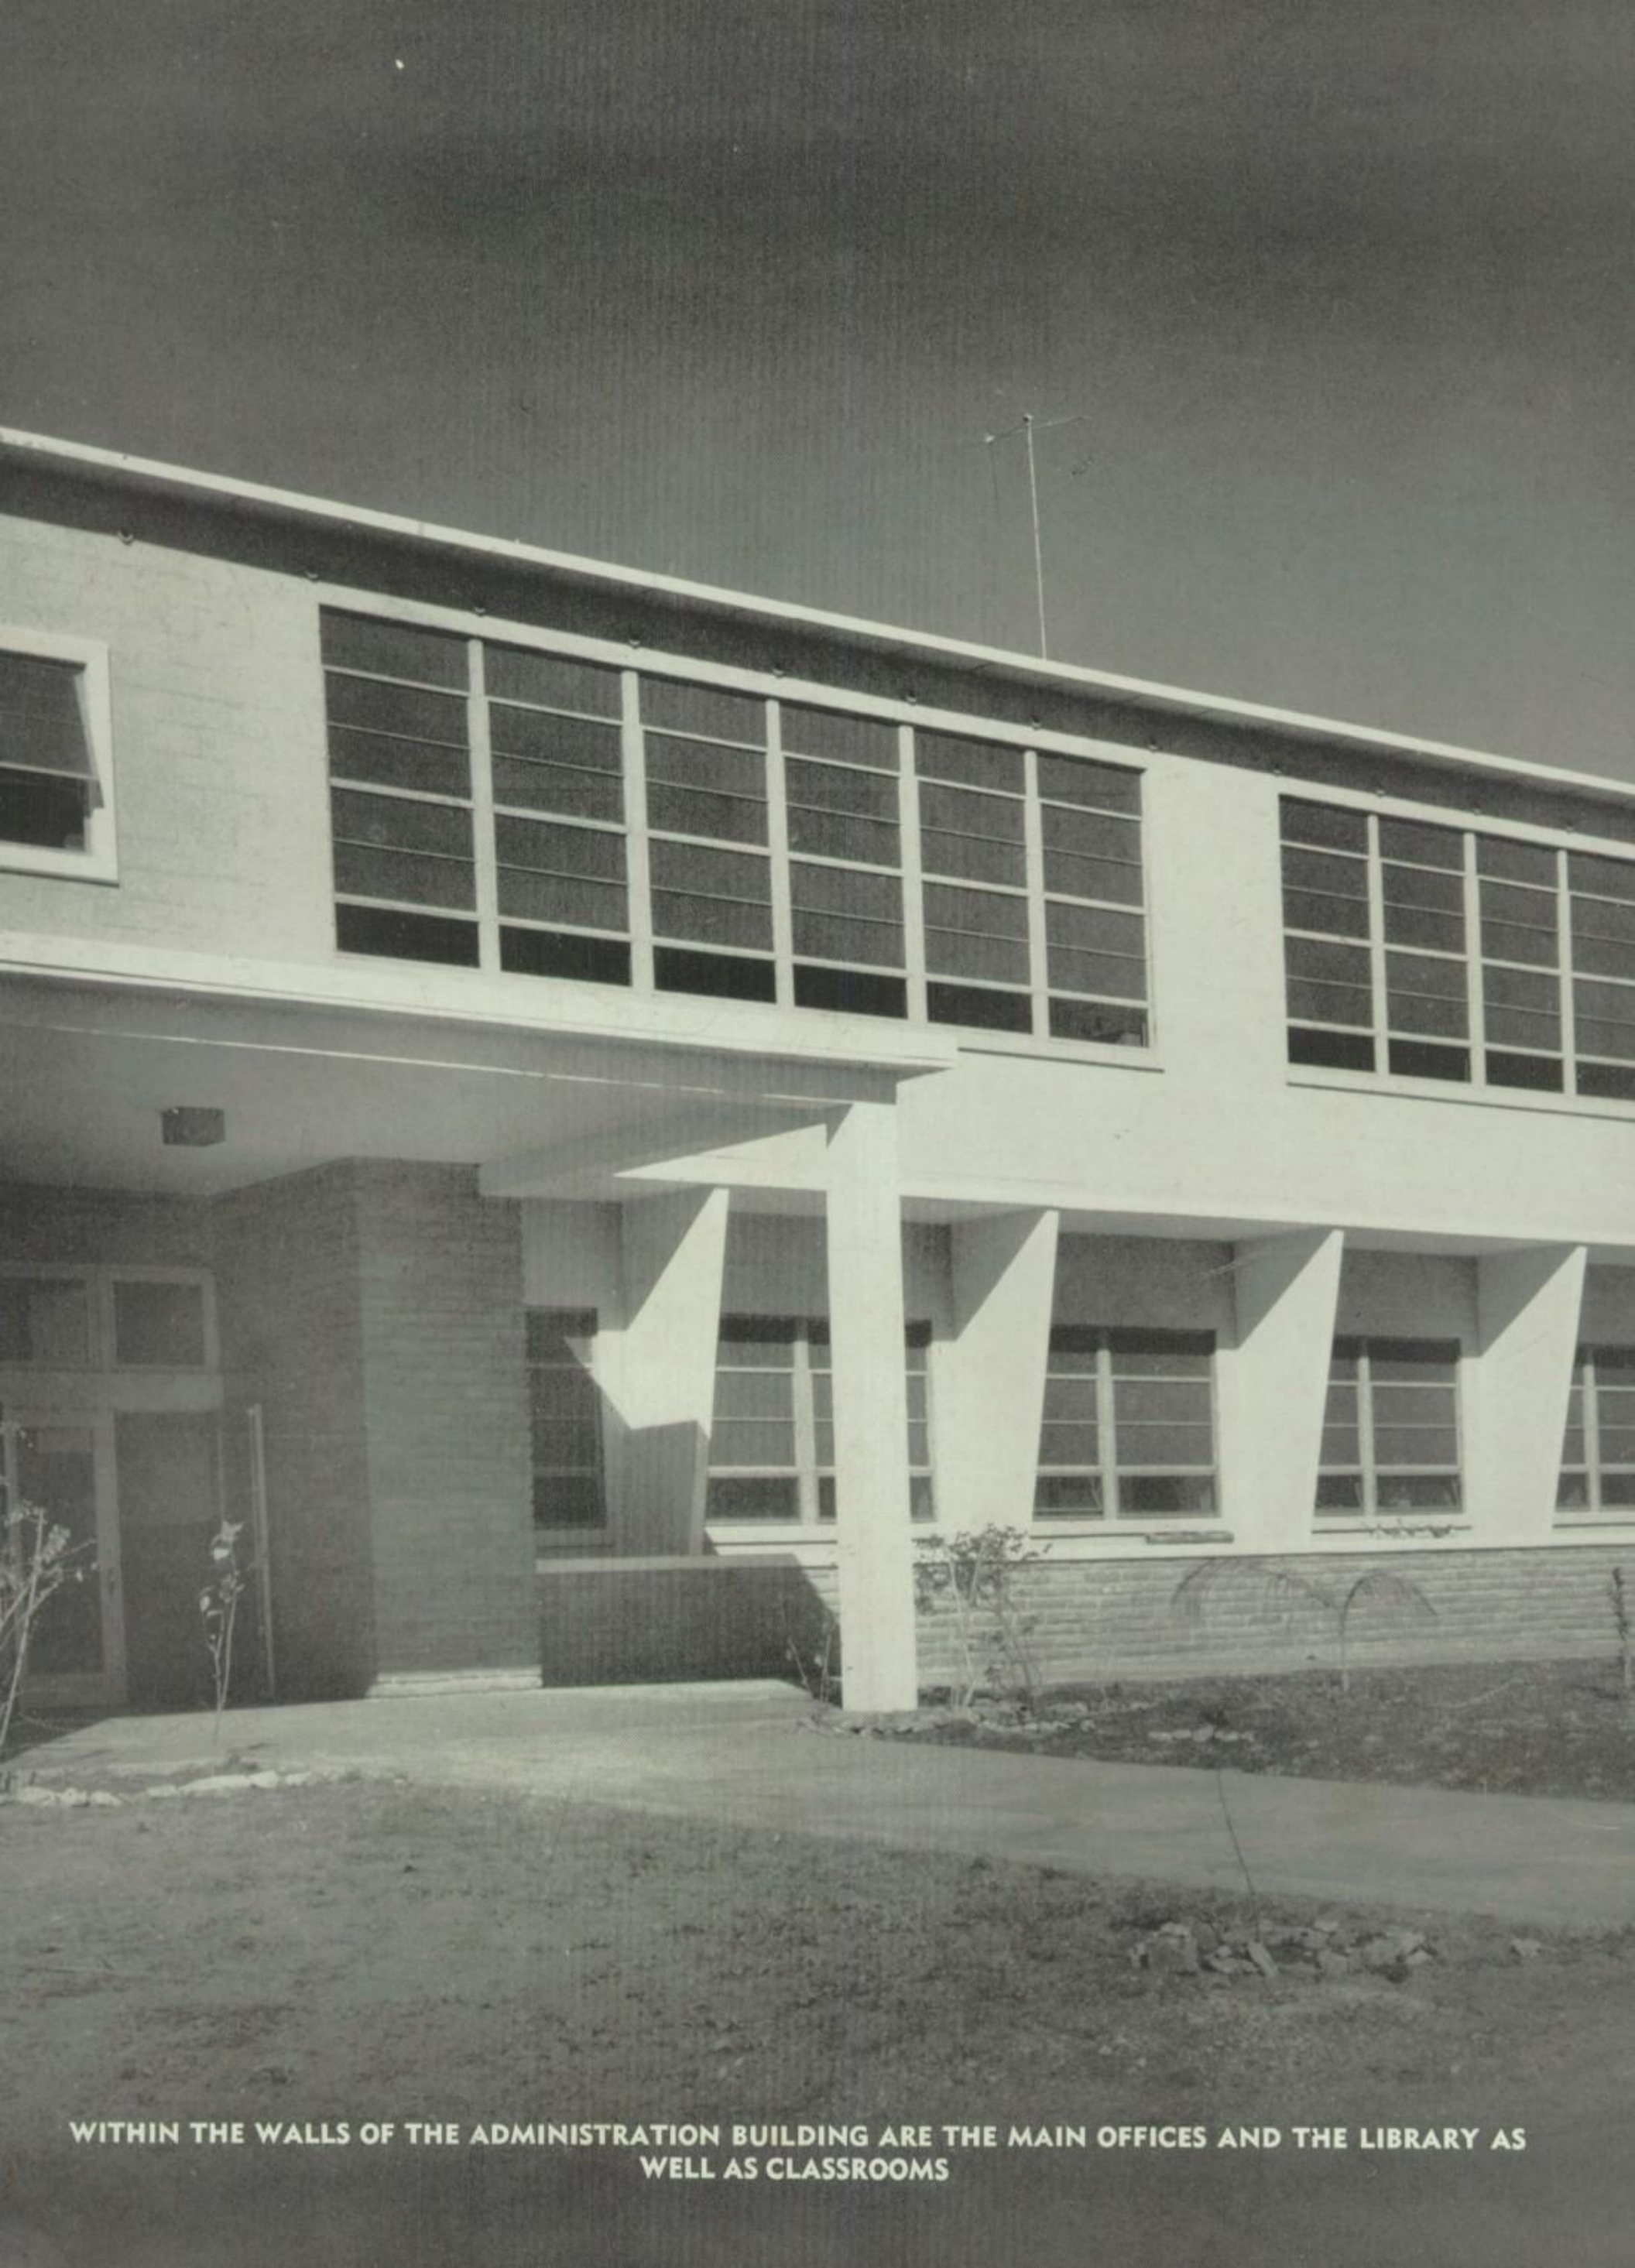
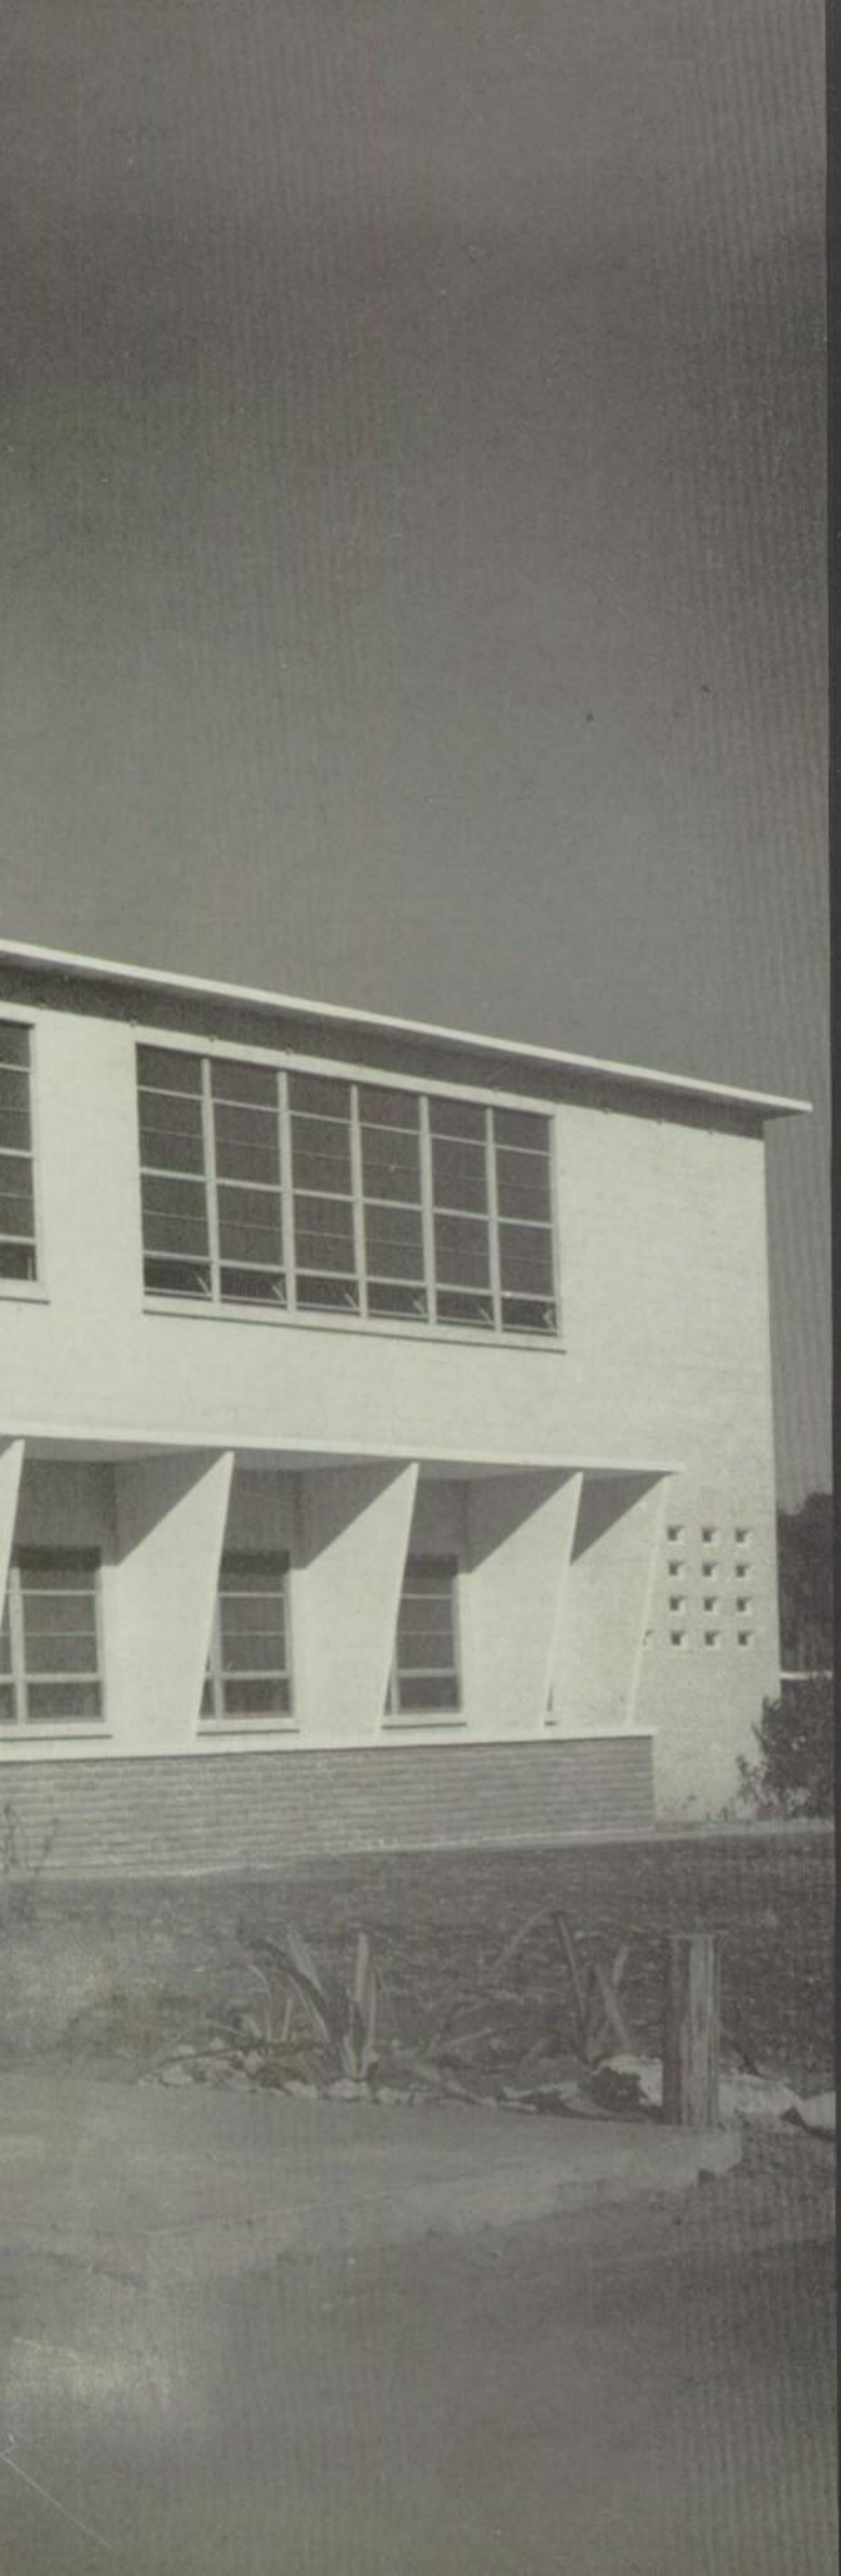
MISS ANNE BRUCE, Registrar, B.S.

MR. GEORGE FOTI, Athletics Director, B.S., M.S.

MRS. JULIAN HYER, Dean of Girls; A.B.



WITHIN THE WALLS OF THE ADMINISTRATION BUILDING ARE THE MAIN OFFICES AND THE LIBRARY AS WELL AS CLASSROOMS



FACULTY AND CLASSES

Through these doors we meet our Faculty and Classes . . .

This year the doors are opening to forty new classrooms and teachers. Most of our classes are held in the North and South buildings, but a lovely music room overlooking Lake Lancaster and a soundproof band room over the gym are two of the separate classroom buildings.

An agricultural class, with its own orange grove and white cottage, is one of the new additions. A brand new homemaking department with all the latest homemaking devices is the other addition. You might have seen the Ag. class, as it is better known, helping the P.T.A. beautify the grounds. And you've probably smelled the delicious odors that have come from the homemaking classes.

The harder subjects, as Latin, geometry, and chemistry, seem easier than in other years in smaller classrooms with familiar teachers, for the majority of our faculty were with us at OHS.

Our smaller school, having approximately 1,015 students offers practically the same curriculum as was offered at OHS.

On the following pages you will find the first Seniors, Juniors, and Sophomores ever to attend BHS. Within are some who have been especially honored. Helping them to achieve these honors are our ever popular teachers. Follow with us through the doors of their classrooms and watch them at work . . . But why tell you more—turn the pages and see for yourself.

Students stop to chat along the walk outside the administration building.

SEPTEMBER

September 2 . . . Our hearts are thrilled at the dedication of our own William R. Boone High School as it is officially christened . . . No longer are we "nameless Joes"; we're the "Boone Braves" and proud to bear the name . . . The fire blazes and we're on the warpath with our first bonfire pep rally . . . Our boys battle the giant G.M.A. team —we scream ourselves hoarse . . . The 'lil Injuns fight their way to victory over Lyman . . . It's in the wee hours of the morning when 13 members of the yearbook and paper staff leave for Gainesville to attend the Florida Scholastic Press Clinic.

THE DOORS OF A NEW BUILDING ARE OPENED FOR US TO BE THE FIRST GRADUATING CLASS . . . OUR HEARTS WILL ALWAYS CHERISH THE MEMORIES OF OUR SENIOR YEAR.

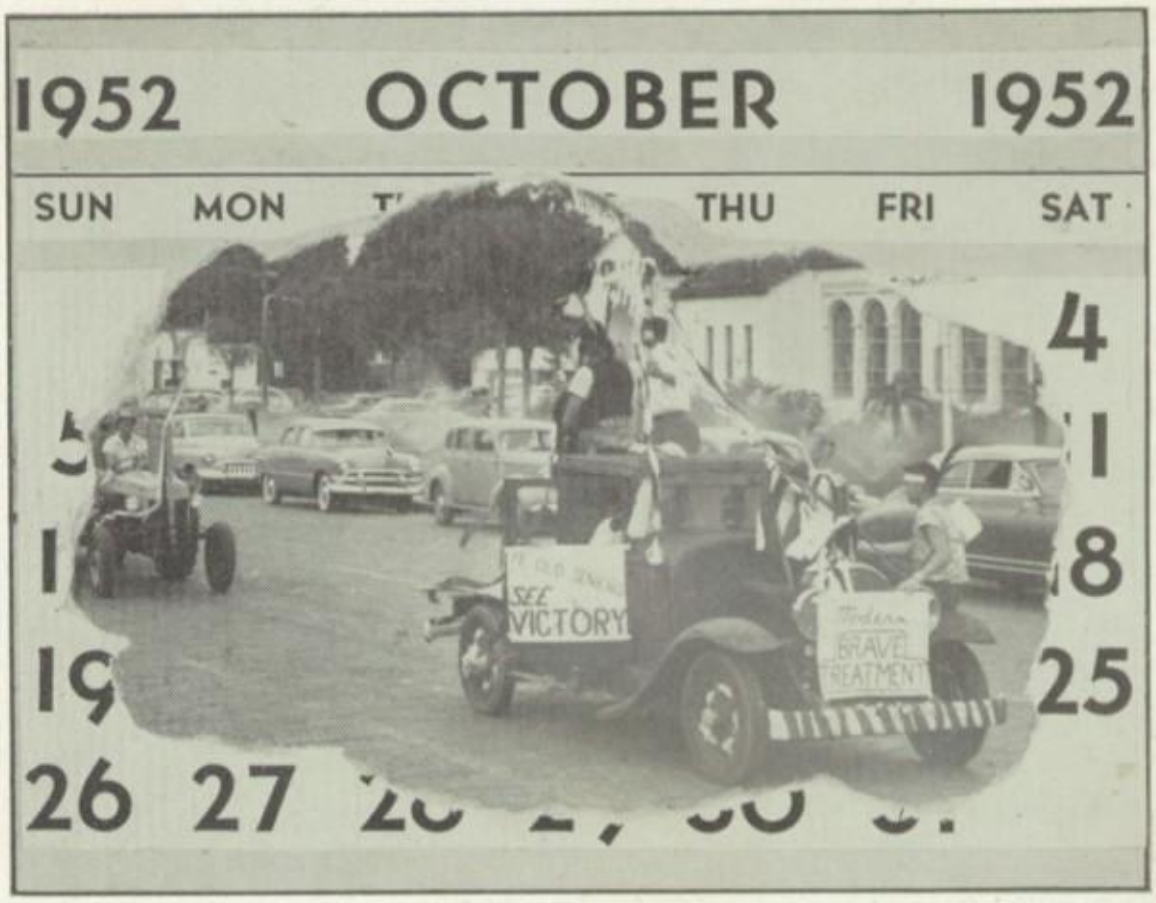
WANDA DAY

OCTOBER

"Get on the bandwagon" three hundred and fifty students wear the grinning Injun emblem, as the Pep Club Drive ends . . . We get a lump in our throats as we hear the impressive words of our new Alma Mater . . . The Braves spark to victory by beating Mainland, 7-6 . . . "T.B. or not T.B." We rush to get our X-rays. That 6-6 tie with Fort Lauderdale was exciting, wasn't it? Remember the half time show and the scalping of Mr. Magarian by the majorettes? Who's coming on now in brand new outfits? — The new Boone Hi-Steppers." . . . Will we ever forget the heartbreak of that 14-13 score with Lakeland? . . . Music, Music, Music reigns as the Glee Club puts on "Hats Off," the first BHS production . . . Those black cats of Hallowe'en must be following us as we go to West Palm Beach and bow to the Wild Cats, 21-12.



It's the Senior Car during the downtown parade—it had to be pushed most of the way, but like its graduating class, it finally made it.

OCTOBER FINDS US IN A WHIRLWIND OF ACTIVITIES. WE ENTHUSIASTICALLY FORMULATE OUR SCHOOL POLICIES AND SET UP TRADITIONS AS CHARTER MEMBERS OF CLUBS.

NOVEMBER

Our J. V.'s meet the Eagles and stomp them for a victory of 13-6 . . . Football Frolics makes its appearance in a blaze of color and fun. That super parade with the decorated cars, the spectacular 19-0 win over Jefferson, and the dreamy Sweetheart Dance are memories we'll always cherish . . . N.F.L. bills, notes and speeches are stuffed in suitcases as the future politicians leave for State Congress. Another BHS senior is chosen to attend the National Convention . . . The Stardust Players bring state sparkle to BHS with "The Brainstorm." . . . Climaxing the Braves' football season is the big game with Edgewater. Our peppy card section, the snappy marching band and Hi-Steppers, and the way we battle bravely against the Eagles are high spots of the day. Even though the score is 14-0 we know we've had a great year.

''FOOTBALL FROLICS'' DOMINATES THE SCENE AS JUNIOR CLASS, PEP CLUB AND STUDENT COUNCIL WORK HAND IN HAND.

DECEMBER

Lights! Curtain! The Thespians of BHS initiate six new members. Boone High Cagers open their season with a flashing victory of 65-36 over Winter Garden . . . F.H.A. holds their formal induction ceremonies . . . Leaving the gaily decorated classrooms with their holly, mistletoe and Christmas trees, the student body spends a whole day planting grass to beautify our grounds. Remember planting the front circle and the free Pepsi Colas served with our picnic lunch?

The Christmas spirit fills the air as we all take part in decorating our new school for its first Christmas.

JANUARY

Our holidays are over, and all around BHS New Year's resolutions can be heard . . . "And if I'm elected—" yes, one semester is rapidly drawing to a close and we again hear those lively campaign speeches . . . Those semester exams—"Why didn't we study harder? Were you pleased with your report card?" . . . Our charter Honor Society initiates the new members in a very impressive ceremony . . . Yearbook staff sighs with relief as we meet our deadline . . . The name of the first BHS yearbook is chosen by popular vote.

Our sponsors, Miss Mac and Miss Bruce, wonder if we will remember our wonderful Senior Year when we go to college.

TO OUR SPONSORS

We of the Senior Class of 1953 wish to express our heartfelt thanks to Miss Evalyn McEntire and Miss Anne Bruce, our sponsors. Their enthusiasm and concern in the Senior Class; their sympathetic understanding and untiring efforts are ever foremost in our memories.

Miss Bruce, our true friend and wise counselor, has advised us in our many troubles, and with her unfailing sense of humor has helped make our three years the happiest ever. And "Our Miss Mac," keeping her bright smile when things were rough and laughing with us in times of fun, has instilled her faith in each one, making us feel a real part of the Senior Class.

It really has been a privilege to be the first Seniors of Boone High School and without the help of our lovable sponsors it wouldn't have been OUR SENIOR YEAR.

Seniors pictured in the Senior Directory were chosen as Outstanding Seniors by a vote of both faculty and students. They are honored for their excellence in academic subjects. They also excel in service in the many activities of our school.

President of the Hi-C Club, **DOROTHY ALY** excels in sociology and library work.

Outstanding in dramatics, **SHIRLEY BARNES** is a member of the Boone Legend staff.

A member of the Boone Legend staff, **PAT DAY** is President of the Pan-American League.

BETTY RUTH EBERHART, Editor-in-Chief of the Boone Hi Lights presents us with the news.

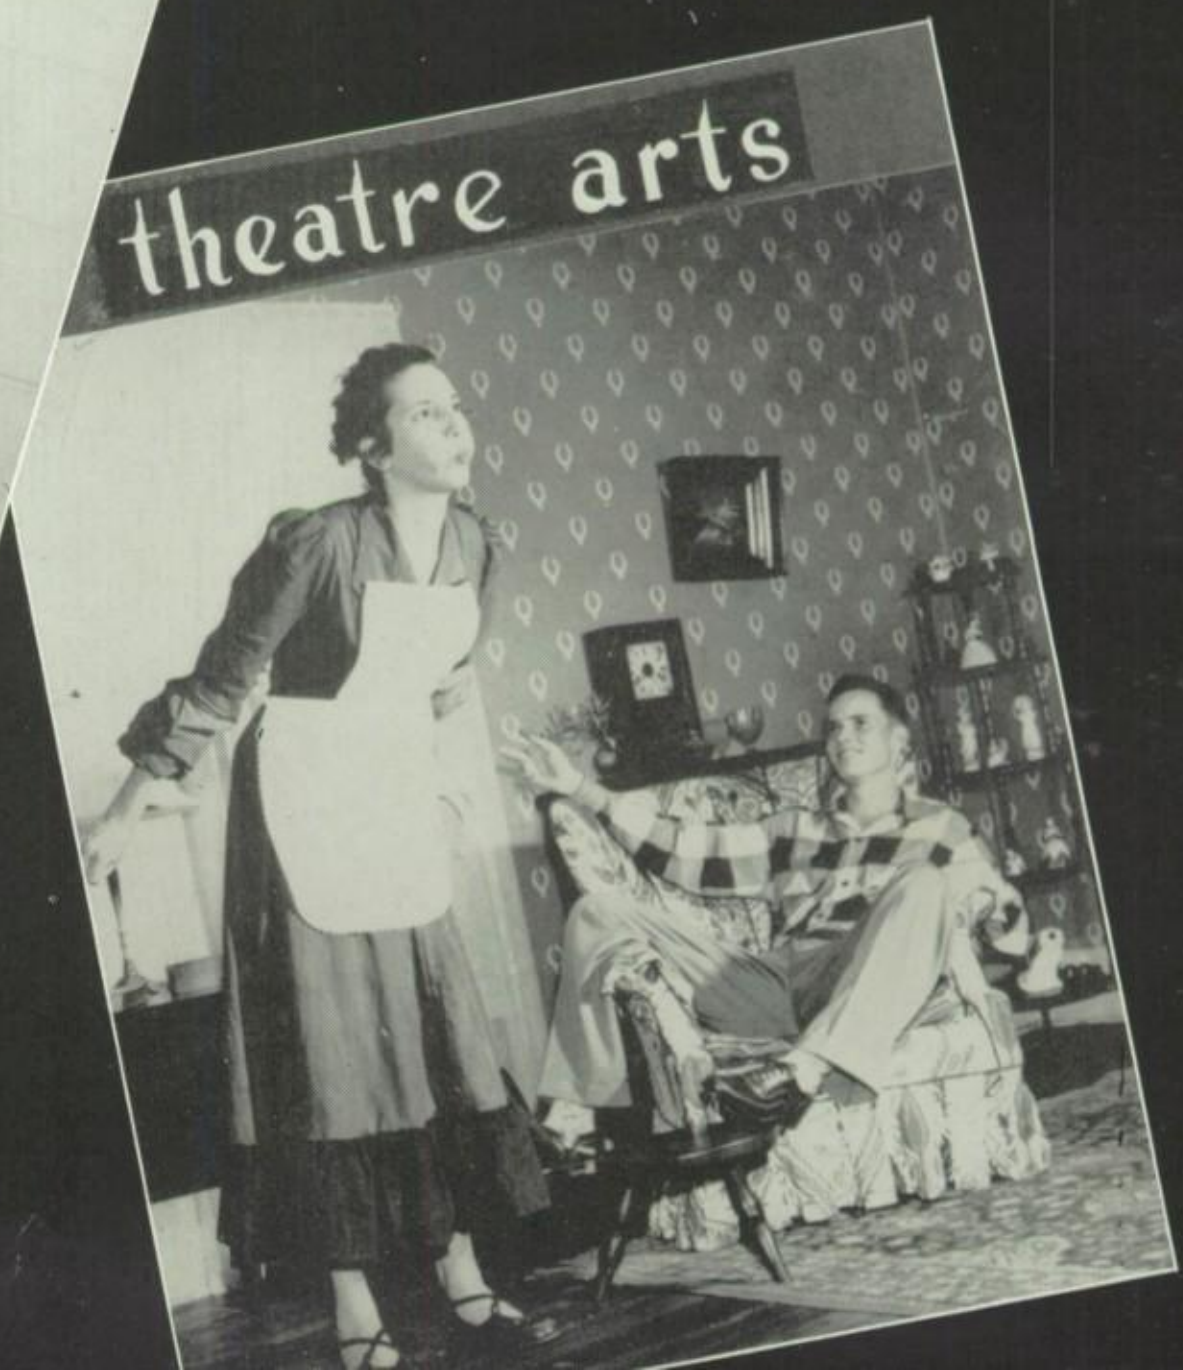
Who's

DICK, JEAN, AND RUTH ANN

Outstanding seniors, JEAN PORTER, RUTH ANN WHITTLE, and DICK SIMONET acting as our first Student Council leaders, established our policies and traditions for the years to come. Because of their outstanding work in music, SUSAN MAUK, secretary of the Glee Club, and NORENE MARTIN, head majorette of the Band, were chosen by their respective organizations as Most Musical. Sparkling up the crowd, DICK INGRAM, popular Senior Class President, and MILLIE NEWTON, President of the Thespians, were chosen Best Actor and Actress among the Thespians. Both won their honor through comedy performances.

SUSAN AND NORENE

MILLIE AND DICK



Who

CAROL, VIRGINIA AND GERALD

Vivacious CAROL SELTZER, President of the Pep Club and an outstanding senior, influenced the student body by her leadership and school spirit. VIRGINIA GOODRUM, who was voted Most Athletic Girl, is President of the Girl's Varsity Club and Editor of Girls' Sports. Synonymous with the word football is well-liked GERALD ROOKS who represents the first captain of any varsity sport in Boone High. Standing highest in academic work among all the seniors were SYLVIA BRITT, Secretary of the Senior Class, and MARCUS EASTMAN, outstanding music student. Taking up the leadership of the Student Council at mid-year was beautiful ANN DENSMORE, an outstanding senior whom we first knew as our Football Sweetheart.

What have we here? It's the Misses Bubbles Brownfield, Baby Dumpling Rogers, Brownie Belle Brim, Woo Woo Williams, Prissy May Peeples, Brahma Babe Bravas, Nellie Lee Kelly, and Kissable Kathy Kinlaw as they advertise the Sweetheart Dance in a Junior skit.

Chosen by their class as the best all around Juniors, Beverly Brown and Sammy Kinlaw are having a chat between classes.

Our Junior Representatives Doris Peter and Margaret Roberts worked efficiently on the Yearbook.

These artistic Juniors, Liz King, Bradley Nickolls, and Maxine Butler are honored because of their work with our school project.

THE SOPHOMORE OFFICERS, Betty Jo B., Betty Jo T., Shannon and Perry, enjoy one of the many beauty spots of Orlando.

boone originates Sophomore Parents' Night for planning students high school program.

One of the informal groups of Parents' Night meets with Mrs. Sarah Goodman to continue the planning program. Mr. Kipp assisted by Mrs. Goodman, sophomore sponsors, and Mrs. Julian Hyer, Dean, developed this idea.

Our best all around Sophomores, Betty Jo Benzing and Perry Sears, put their heads together over a soda.

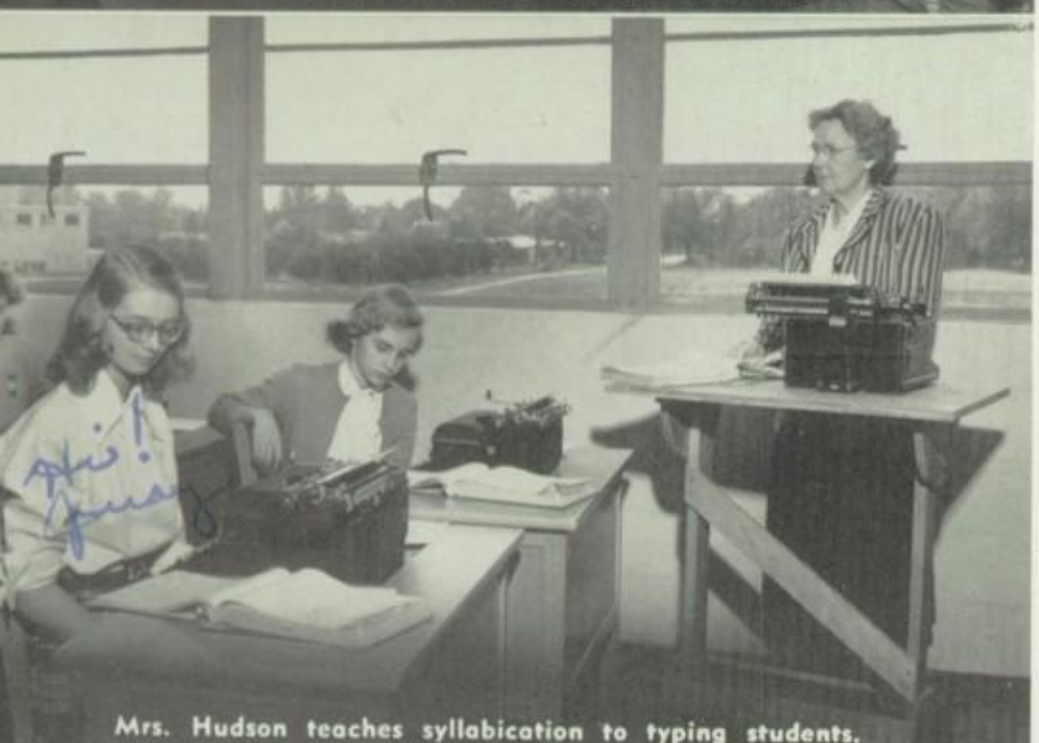
Inside views here at

Mr. Lee faithfully marks a set of Sophomore papers.



Mrs. Hudson teaches syllabication to typing students.

Proudly we view our conscientious teachers who spend those long hours and use those red pencils correcting our papers and putting that anxiously awaited grade up in the corner. It isn't hard to tell who got the least red marks on his neat black and white paper, for each paper is received with either an "oh" or an "ah" signifying delight or disappointment.

"When the bell rings and you have a two-letter syllable left, what's your rule for dividing a word." This is familiar talk heard in typing classes each day. We drill, drill in the syllabication of words. We also study what it takes to make good secretaries. Someday we shall have the opportunity to show what great letter-writers we are when the boss calls us in and says, "Take a letter, please." Bookkeeping and shorthand also play a big part in preparing us for the business world.

The cries of Paul Revere warning the people that "the Redcoats are coming" and the blood-curdling screams of attacking Indians are no longer heard, for those days have long since passed, but U. S. History does relive those eventful years which meant so much to our country's future. Oral reports and visual aid give background in the history program. Research problems and discussion are a part of the course.

Oh, that awful smell of formaldehyde and that rotten egg stench of sulfur dioxide. These will always remind us of the hours we spent in the Biology and Chemistry Lab this year. The class demonstrations in the Physics and Senior Science classes helped us to understand many of the complex and confusing problems of these subjects.

English provides an educational background as a preliminary step to college. Our varied program includes taking of college placement tests, and trying to meet the need of college freshmen students. Practical Business English

Miss McMakin revives our country's glorious past to the Juniors.

Dissecting plays an important part of the biology courses in Mr. Jolley's class.

Seniors dramatize a scene from their study of Macbeth in Mrs. Cramer's room.

meets the demands that the employers of next year will expect from his employees.

An important feature in the course of world geography the first semester was the projects which stressed the geography of Florida, carrying out the theme "Know Your State." During the second semester the students branched out studying other countries of the world in their relation to our daily living here in Florida.

Here comes the time when even the most fun-loving student bends with interest over his books and studies, studies, studies! During quiet study the exciting activities at Boone take second place, giving way to the search for knowledge. "Utilize every minute," that's a familiar rule; and at Boone we apply it to study as well as play.

Included in the art department is mechanical drawing at which these students are so industriously working. Here they are taught sheet metal, layouts, and mechanical drafting. Although the boys are generally the only ones interested in this type of work, there are sometimes a few girls in those classes. The art department won first place in city-wide competition for Christmas decorations in the school division with their nativity scene.

Whenever someone mentions the Boone High Band, we immediately think of the gay parades, the colorful half-time shows at football games, and the glorious honors brought home from State tournament. But here we see the inside story. The Band, like the Glee Club, practices many long and hard hours, which enable them to perform so creditably.

Witches cook their mysterious brews, and bloody duels are fought . . . could this possibly be happening in the year 1953, and at Boonet? Under the ingenious direction of Mrs. Cramer, Mrs. Miller, and Mrs. Haselden the Senior English classes make MACBETH come to life. Students display their originality, although Shakespeare may never have envisioned such armor as these students.

Students and Faculty Work Together . . .

Cooperation was the keynote of this, our first year at Boone High. Cooperation in the classroom, on the campus and with the civic clubs. Even in the busiest moments the students found time for extra projects and civic-sponsored contests.

OUR BEAUTIFUL AUDITORIUM, SEPARATED FROM THE MAIN BUILDING, IS A GATHERING PLACE FOR MANY OF OUR SCHOOL ACTIVITIES

ACTIVITIES

The doors of the auditorium are flung open to include our activities

Activities is a word that holds a lots of meaning here at BHS. It covers our Student Government, high moral and scholastic clubs, Band and Glee Clubs, Pep Clubs, Publications, and many other phases of school life. This year the doors of the auditorium are flung open to include many of these activities. You might even say "it is the hub of our activities."

In belonging to clubs we meet new friends and learn the true meaning of cooperation in working together on club projects. At one time or another we've all had to stay late at school to work, rush home to eat, and then go to an evening club meeting. Sometimes it's hard to find time to get everything done, but we always manage it somehow.

We found that we have gained a lot in taking part in these activities this year. Our teachers are very considerate in helping us to form clubs and sponsoring them. They urge each student to belong to at least one club, for they feel that this part of student life opens the way for leadership and gives each of us a chance to show our abilities as leaders. You don't have to be the president of an organization to be a leader—just being an active member proves your leadership.

This year all of the clubs have worked together so well. There was so much to be done in our brand new school, and the faculty and students worked "hand in hand" to get everything accomplished.

Here at Boone High School, the auditorium not only serves as an ideal meeting place for clubs, but it is a "theater" for our plays, a "music hall" for our band and glee club concerts, and a "gathering place" for our pep rallies.

Opportunity is offered to everyone to enter all types of activities. Follow with us through these doors and become acquainted with our clubs and the students who participate in these activities.

Friends mingle in the open doorways before attending a special function in the auditorium.

The officers enjoy one of Mr. Magarian's famous jokes. Ann Densmore, President Second Semester; Dick Simonet, Speaker of the House both terms; Jean Porter, President First Semester and President of Senate Second Semester; Ruth Ann Whittle, President of Senate First Semester.

The Student Council began this year with a bang. As we were all a little unfamiliar in the beginning with practically everything, the Student Council took it upon themselves to get us acquainted with the new school. Get acquainted we did as we made history and preserved memories.

Remember the memorable half-time show during the "Football Frolics". Certainly you couldn't have forgotten the orange and white "Boone" and "Beat Edgewater" pins the Student Council came out with early in the school year. Of course we'll always remember how a group representing Boone went down to the Miami Convention and came back with Mr. Vaughn Magarian elected Student Council Sponsor for the southern states east of the Mississippi. The Student Council was also responsible for our opportunity to get a free T.B. X-ray. What a relief it was when we found none of us had T.B.! It's rather hard now to visualize Boone before it had any grass or plants and trees around it. Didn't we have fun on "Bitter Blue Day" planting three acres of grass! Through the fine work of our Student Council and their active sponsor, Mr. Magarian, Boone has set a strong and sturdy foundation for the years to come.

HI-C—"Give Me Oil In My Lamp" and "I'm So Happy, Here's the Reason Why" were two of the spirited choruses which so often began the inspiring Hi-C meetings. The purpose of this organization is to encourage Christian living. Certainly every member leaves the meeting knowing God has shed a ray of hope in his path. The Hi-C Club is under the wise guidance of Miss Mier, our assistant principal, and Miss Bass, Faculty.

TORCH SOCIETY—Encouraging high scholastic standings among our students is the Torch Society. The members include those who were members of the Honor Society in junior high school. These co-operative boys will always remember the long nights they ushered at the 1953 Ice Capades and the Saturday they participated in the annual Kiwanis newspaper sale. Under the able leadership of Mr. Leland Kirst, the "key" boys strive to develop initiative and potential leadership.

HONOR SOCIETY—Twice a year in an impressive candlelight ceremony, worthy members of the student body are tapped for membership into the National Honor Society. Hard working DCT students win first prize in "Frolics" parade.

Pep Club and school spirit mean the same thing this year at BHS. This organization with about 350 members has really done wonders for the students. Remember those pep rallies, bonfires, and that very first "Football Frolics" parade? Then amid "fight, team, fight" and our school songs we gaily went to Tampa. The ever popular, colorful orange and white shakeroos that were so abundantly around school were made by the Pep Club. Working with the Senior Class, they planned all those wonderful parties after the football games. Will any of us ever forget the super-delux Nautical Dance after the Boone-Edgewater game? Under the untiring efforts of Mrs. Shirley Haselden, and in her absence, of Miss Evelyn McEntire, the largest club in school was certainly the busiest this year.

Le Cercle Franca is enriches students

"Le Cercle Francais" is designed to afford students of the French language experiences which cannot conveniently be provided in the classroom. They sample real French cooking by the French chefs at L'Auberge; they correspond with French pen pals; they hear speakers from France or who have visited in France; they send packages to the French people via "Care"; they learn through student-planned programs about the colorful history and culture of the French people. To the students of French "Le Cercle Francais" is a means of broadening his scope, increasing his knowledge, and enjoying wholesome recreation.

"Laeti Latini" blends old and new

Sponsored by Mrs. Nobie Simpson, the Latin Club aims to inspire the learning of the customs, life, and culture of the ancient Roman Empire.

These students also aid any student who gets behind in his Latin work because of illness or reason of the nature.

To be eligible for membership in the club, a student must have a "B" average and pass a Latin examination.

Each spring the members of the club participate in a National Latin Examination. If they receive an excellence in rating, they become members in the National Latin Honor Society.

What fun the members of the Pan American League had this year both at their social meetings and in their contributions to the school. Whether providing plants for the landscaping of our school, working up a program for Pan American day, or entering a float in our "Football Frolics," the members constantly displayed their high ideals—high academic standards, universal friendship, and community and school consciousness. With Miss Anne Stone at its head, the Pan American League gained recognition as an outstanding chapter in the international bulletin.

Stardust Players and Thespians

Beginning the BHS dramatic year with the same excellence as always, the Thespians and Stardust Players under Miss Murphy's leadership produced "Brainstorm," a hilarious comedy about a school boy pampered by his three old maid aunts and about his struggle against playing football. Next came "Love Is In The Air", a comedy about a typical American family and their trials and tribulations with the bratty little sister. Joining forces with the Glee Club and faculty, a "Gaslight Gaieties", a musical and dramatic production, was produced as the climax to "Color Day."

The Virginia Reel was one of the favorite dances performed at the Stardust Players' square dance initiation party.

Sparkle on Boone High's Stage

Sparkle, glitter, glamour and magic in the world of "make believe"—yes, the National Thespian Troupe of Boone High has all this and more. Under the direction of Mildred E. Murphy, well known for her famous productions, the Thespians with the Stardust Players, have been taking wide acclaim for their plays this past season. Although the Stardust Players group is not a national organization like Thespians, it serves the same purpose—to encourage dramatics at BHS.

Doting aunts, Shelia McFadden, Ardia Ann Whittle, and Virginia Yarri exclaim over Dick Anderson in the play, "Brainstorm."

Ruth Ann, Millie, Jane, and Dick, Thespian officers, are deeply impressed by the signing of the new charter.

Ann really turns on the charm as she tries to persuade Dick to be the football hero of the "Brainstorm."

Radio Guild Players and D. C. T.

Dick Burnside, Bobby Blakey, Jane Chambers, Lynn Williams, Carol Fox, Warren Marsula, and Adria Ann Whittle enthusiastically look forward to the Radio Guild Players' trip to Miami. These future announcers, actors, and commentators will visit the Miami TV station and discover many things about this popular form of entertainment.

"Petticoat Brigade" was only one of the popular radio plays presented by the Radio Guild Players at 5:30 every Saturday afternoon on station WORZ. Shirley Barnes, Dick Crook, Nancy Radebaugh, Jimmy Stingley, Jeanne Beal, and Carlton Clark strive for correct timing and excellent performance.

DCT is not all work but lots of fun also. We have district meetings where all the members spend a gay day getting acquainted with members of other clubs and attending the business meetings. Then there is the State Convention. Two lucky representatives will have the opportunity of going to Daytona Beach to meet with representatives from all over the state of Florida. The first heard of them this year was during October and November when they were attending student congresses throughout the state. They came home with a district winner, state winner, and a delegate to the National Student Congress.

In February they initiated seven new members and proudly received their new charter. The group then settled down to prepare for the State NFL tournament in Jacksonville in March. Eyes left! Forward march! These are the commands you heard day after day as the Boone Hi-Steppers practiced and drilled. Organized in September this club was begun to promote co-operation and to give Boone High a military drill team that will honor the name of William R. Boone. Mrs. Martin Irwin, the well-loved sponsor of these twenty-seven girls, has given much of her valuable time to the advancement of this group. This was a wonderful year—a year of fun and activity, but most important of all, a year filled with achievement and satisfaction.

Cheerleaders root for Alma Mater

"We've got the zip, we've got the pep . . . " The BHS cheerleaders surely did have the pep. Never tiring they bolstered up our spirits when we were low and cheered our team on to victory. One of the most important factors of this first year at BHS was our amazing show of school spirit and these zippy, orange and white clad girls aided much in its development.

The keynote of the Y clubs this year was co-operation. Working and planning together, the three clubs have met every goal expected of them.

When the state convention was held in Orlando in December, Y members all pitched in to make it a success.

In this beginning year, the Y clubs have had to work hard to raise needed funds. And work they did as they sold pillows to the spectators at the football games.

Serving others is one of the main Y objectives, and the club members emphasized this phase also. Santa Claus Buttons were sold to Orlando citizens, and T. Service was extended as the Y members distributed T.B. Posters, playe d host to the State Convention, and planned the sale of pillows at the football games.

The Library Club inspires reading . . .

"The Library couldn't be run without them," says Miss Eldredge, our friendly librarian, about her library assistants. She is assisted by Thais Wingert, a former OHS student. Mending the books, working efficiently behind the desk, arranging the bulletin board colorfully, and helping to improve the library all around, these smiling girls and boys lend a cheerful air to the library.

Besides serving in the library, these same students sold us bright, lovely corsages at Christmas that pleased our friends so much. In April six delegates went to the Library Convention with the funds from this project. And all the teachers will remember the tea given them during Book Week by gracious hostesses.

Stimulating interest in Library activities is the point system set up by Miss Eldredge. The lucky assistants who make twenty points will travel up to St. Augustine to inspect the book binding and the Florida Historical Library.

Helping others is the most worthwhile task anyone can perform. With Miss McMakin at their head the Junior Red Cross has done just this. At Christmas they filled and packed gift boxes to be sent overseas.

The Homemaking girls enjoy learning to cook in the new chrome a white kitchens.

The most important vocation for which a girl can prepare herself is that of making a home. Realizing this, the girls of the Future Homemakers of America learn to cook well, sew neatly, and run the home smoothly through clean Christian living.

From their impressive ceremony at initiation to their entrance in the State Fair; to their Hobo Day in which each member went out to various homes to wash dishes and clean up for the mothers; to their Mother-Daughter tea; this has been both an impressive and educational year for these girls. They have truly learned to live by their motto, "Toward new horizons."

Starting with nothing—no money, no facilities, and a small staff—the Hi Lights' staff with Mr. West at their helm dived in and published a weekly mimeographed edition.

Surprising the student body, they came out with our first printed paper at Christmas. How proud we all were of the bi-monthly they printed from then on.

The Hi Lights' staff deserves our praise in recording the important news in this history-making year at Boone High School.

Boone High Glee Club . . .

Mary, Ethel, Denise, and JoAnn harmonize in that ever-popular "Barber-Shop" melody.

Hats off to the Boone High Glee Club for their production of "Hats Off", our first Operetta; for their Christmas Concert put on for both the students and public; and for their other contests and concerts. The Girls' Quartet, which specialized in "Barbershop" harmony, the Boys' Double Quartet, and the other choral groups have been honored with engagements outside the school. Blending their voices into beautiful harmony, they have succeeded in lightening the spirits here at Boone High.

As in the past, Mrs. Julia Campbell, their sponsor, again developed a Glee Club which received state-wide recognition. This year more than 125 students were enrolled in Mrs. Campbell's classes.

Early in April music students went all out to present another operetta, "Marianne". Their object was to raise money to send the entire Glee Club to the state music festival at Tampa. Eighty five students competed. Girls' Chorus and Mixed Chorus took superior ratings. The Boys' Quartette, Girls' Trio and Madrigal also took Superior. Other entrants were rated Excellent.

Allen, James, Bernie, Burton, Marcus, Bill, Gordon, and Dean of the Boys' Double-Quartet loosen their vocal chords for another engagement.

Boone High Band Captivates . . .

Still wearing the familiar orange and white, the snappy Boone High School Band and its lovely high stepping majorettes played and danced their way into the hearts of school and public alike in a manner that has done much to bring color and glamour to the occasion and credit to the school.

Under the capable leadership of Mr. C. W. Rumpf, the band participated at two out-of-town football games and at all home games. The Christmas Parade, Armistice Day Parade, and Tangerine Bowl Parade were but three of many, wherein Orlandoans and visitors alike saw the familiar colors and listened to the snappy music of the Boone band.

The organization was not only happy to bring its music to the City Beautiful, but had occasion to play in Minneola, Tampa, St. Petersburg, and Lakeland as well. It is hoped at this time of writing that they will engage in the festivities at the State Contest in West Palm Beach.

Again this year, Orlando was host to the District IV Band Contest, and the members of this organization took an active part in making visiting bandsmen welcome.

It is hoped that this, Boone High's first year band has set a high standard, one worthy of the school that bears the name W. R. Boone High.

Girls Varsity Club Sparks Athletics

With a whiz of a start the Girls' Varsity Club got under way by winning Boone High's first trophy. Under the sponsorship of our admirable gym teacher, Miss Judy Walker, the club promotes good health and high ideals of sportsmanship.

The social hi-light of the club during the year was the initiation of new members at Camp We Wa.

Girls who earn thirty-five points in two consecutive sports are eligible for membership.

The Clinic Girls are Mrs. Hyer's right hand men as they help to perform the many duties of our Dean of Girls. Here Libby Lee, Merilyn Smith, Kay McCormick, Bernadine Patterson, Janet Sharp, and Jeanne Beal look over the file of all the students and read up on care of students.

It's almost a pleasure to have a tummy-ache when you have such pretty, smiling nurses. These girls, trained in First Aid, are able to take care of people in an emergency. Delynn Armstrong, Elsie Oakley, Gail Oderman, Marcia Suydam, Luanna Andrews, and Joyce Moore carry on these various jobs.

Boys Varsity includes letter-men . . .

One of the finest clubs for sports-minded boys in Boone High is the Boys' Varsity Club under the sponsorship of Coach George Foti. This club honors those boys who won a letter in any varsity sport. Two of the chief duties of the club are to raise money for athletic equipment and to promote and extend throughout the school friendly sports atmosphere. Spiritual development as well as sports emphasis is stressed.

Future Farmers of America

The F.F.A. is composed of boys who wish to train for rural leadership. Their studies are of crops and the livestock found in this section of Florida. They also have studies in shop and the repair and maintenance of equipment.

The boys go on various field trips whereby they increase their knowledge of the crops and livestock. Several boys were chosen from the Boone chapter to go to the Tampa Fair.

The F.F.A. boys, noticeable in their blue and gold jackets, were always willing to pick up plants donated by students and parents to use in the beautification of the school. These boys did the major part of the work in setting out the many plants and shrubs.

In April the F.F.A. banquet, honoring parents and friends, was presented by the boys. The food served was grown by the boys themselves.

Running here and there, snapping pictures, always on the spot, and preserving the memories of our school were the busy workers of the 1953 BOONE LEGEND. The staff will never forget those long hours after school, the countless cokes we drank, and wondering if we'd ever meet those deadlines! Losing layouts, copy, pencils, and rulers, and rushing to meet a picture assignment, the members of the staff cooperated and pitched in to see that everyone had plenty of help. Spurring us on with her cheerful nature, ANNELL, our efficient Editor-in-Chief, worked hard to make the whole book a treasure chest of memories. CAROL and SYLVIA checked and double-checked the senior names and wrote up all the senior events so that our first BHS seniors would never forget this year. Drawing the many sports layouts and vividly reporting the athletic events, DICK, RALPH, and CHARLES heralded our Boone Brave teams. As Girls' Varsity Club president, VIRGINIA was at the very heart of the girls' sports section. Creating layouts and captions for the lovable faculty of BHS, EVELYN, DONNA, NAN, and FELICITY worked with a ready will. MILLIE went around with that secret smile on her face while she worked on Who's Who, and our witty juniors, MARGARET and DORIS kept us laughing as they sketched junior and sophomore panels. wondered how they'd ever fit all our clubs into Activities and spent hours getting identifications in the blazing sun. Skillfully drawing layouts and designing our cover SHIRLEY contributed much to our whole BOONE LEGEND. Giving us that extra push when we needed it and endeavoring to teach us yearbook making, was MRS. GENEVA CRAMER, our adviser, who gave so unselfishly of her time to make our book a success. With the Boys' Varsity Club and the Editorial Staff lending a helping hand, our capable Business Staff, under the direction of MISS SARA FERGUSON, sold ads and raised funds to help us pay for our book. DOLLY, BETTY, RHETTA, SHIRLEY and JOANN labored over the many records that need to be kept. There were no haphazard methods used but correct bookkeeping practices. CHARLES, TOMMY, and ROBERT worked in the bookstore to add money to the fund. Spontaneous support from the student body in assisting us to name our BOONE LEGEND and their enthusiasm in buying the book gave us courage when things looked rough. The wear and tear and even the fears are forgotten now as we look back on this grand year of work on the BOONE LEGEND. We have had the privilege of giving you the very first BOONE LEGEND. It's been a year of fun and worry, but it's been a wonderful experience that has opened many doors of opportunity to us and we'll never forget it.

ATHLETICS

The doors of athletics offer opportunity to everyone . . .

At last it's football season . . . Yes, and football season holds a lot of different meanings for everyone.

To the boys on the team it may mean a chance to develop their bodies, to learn the meaning of team-work, to accept a challenge to put their team on top, or even to make a big impression on that cute little girl who sits across the aisle in English.

To the cheerleaders it's a chance to show everyone the yells and cheers they've been practicing all summer, and to get that school spirit going at the pep rallies and bon-fires.

For the band members and majorettes football season holds plenty of excitement . . . there's the breathless silence when they play "The Star Spangled Banner," the vibrant singing when they break into the school "fight" song, the wild cheering when the first strains of "Dixie" are heard, and, of course, those original half-time shows.

To the teachers a football game means a chance to get better acquainted with their students, and to show their loyalty to the school.

And last, a football game has many meanings for the students, but most of all it's a chance to really cheer on that team of the school they love best.

Although football is the most popular sport, our basket-ball ranks exceptionally high as a major sport this year Here the doors of the gym are opened wide to admit the many sports loving spectators in to the basketball game.

In the spring we turn to baseball and track. Our games are played on our own baseball diamond behind the school. The talk is now "Take me out to the ballgame."

This has been a grand year of sports for us. Whether we win or lose, our boys always act in such a way as to honor the name of W. R. Boone High School.

Sportsloving students enter the gym doors to cheer on the Braves at a basketball game.

"BOONE FINISHES BEST SEASON IN SCHOOL HISTORY"

Students, faculty, parents and fans alike were glad to see Coach Bill Gilmartin together with George Foti, Harry Meisel, and Fred Hogan receive appointments to Boone after they had done such a fine job at O.H.S. last season.

At the beginning of the '52 prep grid season the Boone High Braves were expected to have an inexperienced team which would not win a game. Although the Braves, under the capable, friendly leadership of Coach Gil, didn't compile an impressive record, they soon proved to everyone that they had a team capable of standing up to any one in the state.

The fast Brave offense outgained all but two of its opponents on the ground while the tough Brave defense, though much smaller than its opponents, held the opposing offense to a very limited ground gain. Highlighting the season was "Football Frolics," when a terrific Brave defense held the Jefferson Dragons to a total ground gain of 2 yards, and while the defense was holding, the offense went on to score three T.D.'s.

Starting the season with G.M.A., the small fighting Braves showed a tremendous amount of courage and fortitude as they lost 35 to 6, playing in the first game of BHS history, the much heavier G.M.A. Bulldogs. The Brave offense racked up 10 first downs to G.M.A.'s 8, and outgained them on the ground. The lone Brave T.D. came in the final quarter when Brim scored.

Going into the Daytona Mainland game as the underdog, the Braves surprised everyone by beating the Bucs 7 to 6. The Boone defensive team held the monstrous Buc offensive to a small gain. The spectacular offensive running of J. Brim, who ran up a 120 yards, and the long passes from Rooks to Davis highlighted the game. Boone spent the entire first quarter inside the Buc 30 yard stripe, but they didn't score until the fourth quarter when Rooks fought his way over the goal tying the score 6 to 6. Bud Peeples split the uprights with a perfect boot to give the Braves the decisive 7 to 6 lead.

Tying the Ft. Lauderdale Flying L's with a 6 to 6 deadlock was a moral victory for the fighting Braves. The lone Brave tally came in the first few minutes of the game. The T.D. drive was started with a pass from Rooks to Flowers and was climaxed when Brim sprinted across the goal. Twice the Braves held the much heavier Ft. Lauderdale team on Boone's own 1 yard line. Special recognition goes to the whole defensive team.

through rough schedule . . .

One of the highest scoring games of the year was witnessed at Phillips Field in Tampa when the Braves fought desperately, but to no avail, to win their first Big Ten game of the year. Boone came from two T.D.'s behind in the third quarter, to tie the score, but a fourth period Panther pass clinched the victory for Plant, with a 26 to 20 final score. Rooks, Shell, and J. Brim scored for the Braves with Peeples kicking and Scarboro passing for the extra points.

Suffering a heartbreaking loss to the Lakeland Dreadnaughts by a slim score of 14 to 13, the Braves outplayed and outgained their Lakeland rivals, but the breaks were against them. Lakeland scored their first T.D. on a free ball in the first minutes of the game. Boone immediately fought back and after a 63 yard run by Dufore, Kelly bucked the line to score. The Braves' 3rd quarter touchdown drive was sparked by Kelly's long runs and his T.D. plunge. Rooks passed to Flowers for the extra point. But a fourth quarter Lakeland T.D. and extra point made the score Lakeland 14, Boone 13.

Putting up a courageous battle against heavy odds, the Braves bowed to the West Palm Beach Wildcats 21 to 12. Again outgaining their opponents, the plucky Braves fought from a two-touchdown deficit only to have the Cats score a T.D. in the last two minutes to win the thrilling contest. Boone's first tally came in the second quarter when J. Brim slithered across the goal for a T.D Midway in the fourth quarter Rooks pitched to Brim who passed to Flowers in the end zone, for the Braves' final score.

Being held scoreless for the first time this season, the Braves were completely ineffective against Lee's powerful Generals. The score, Boone 0, Lee 36. Playing in 30° weather, Boone could neither contain Lee's devastating rushing offense nor move against their tremendous line. Sammy Kinlaw was the only bright spot for the Braves, as he was the leading ground gainer.

Ending the first Boone football season before a record-breaking crowd of 11,000 fans, the Braves went down to defeat before their cross-town rivals, the Edgewater Eagles. Although the Braves held their opponents to a scant 48 yards on the ground, two long passes from Conley to White told the story, scoring in the first and third quarters, the Edgewater aerial attack was highly effective. Outstanding for Boone were the Brim twins, both of whom gained more ground yardage than the entire Edgewater team. Even though the Braves did end the season with a 2-6-1 record, they were at all times a credit to Boone High.

T. Brim shakes loose from a Jefferson tackler.

Rooks crawls his way through the Eagle line.

B. Kelly drags an Edgewater Eagle for extra yardage.

Boone Grid Season's "Sidelines" . . .

Left to right—**Fred Hogan, Junior Varsity coach; Harry Meisel, end coach; George Foti, athletic director and line coach; Bill Gilmartin, head coach.**

Students, faculty, parents, and fans alike were glad to see Coach Bill Gilmartin, together with George Foti, Harry Meisel, and Fred Hogan receive appointment to Boone after they had done such a fine job at OHS last season.

We congratulate these coaches on their splendid job with athletics this year. Each is a specialist in his own field. In their friendly and understanding manner, our coaches have given more than just athletic training to a group of boys who highly respect them.

Boone Captain Rooks and Co-Captain Flowers shake hands with Edgewater's Conley and Robbins as they begin the inter-city competition.

Chu Chi Coker was among the many visitors to sign Joe Pesce's cast after the first serious accident of the year.

Said Coach Gil, "I only hope that my own boy will make me as proud as the boys of my first football team here have made me."

Carl Sandlin scores on a thirty yard run off-tackle against the Ocala J. V.

The small Baby Brave team showed speed, ruggedness, determination, and sportsmanship during the first BHS grid season. Although the Braves were much lighter than the opponents, they ended the season sporting a fine 4-2 record. The only Boone losses were to much heavier varsity teams. Boone wins were also over heavier teams, such as the Lyman Varsity and the Edgewater J. V.

Coach Fred Hogan is to be congratulated for the fine job he has done in turning out such fine winning teams. We regret to see Coach Hogan leave us next year to assume his position as head coach of the Seabreeze Varsity.

Congratulations Coach Hogan!

Smash to, 14-7, Record . . .

Coach Harry Meisel's orange and white clad Boone Braves fought their way to an impressive 14-7 record in the first year of basketball at W. R. Boone High School. The Braves, who were expected to field a strong team of returning veterans from old OHS, did exactly that as they bowled over their opponents winning 13 of their first 15 games. Bearing the load for the games were Keith King, John Brim, Tom Brim, Dan Flowers, Joe Davis, and Joe Pesce; all seniors with exception of King, a 6 foot 3 inch junior. Time and again, the Brims' floor games; the sharpshooting of Davis, Flowers and Pesce; and big King's rebounding and scoring ability paid off in victories for the local quintet. Two of the many highlights of the season were King's 271 points and John Brim's being chosen as honorary captain.

Not to be outdone by their bigger brothers, the Boone Jayvees of Coach Fred Hogan played to an identical record of 14-7. Starting off the season a little slowly, the "Little Injuns" finished like the proverbial "house afire" winning 13 of their last 15 games.

Both the Varsity and Jayvee teams are to be commended for their fine records in bringing fame to Boone High School.

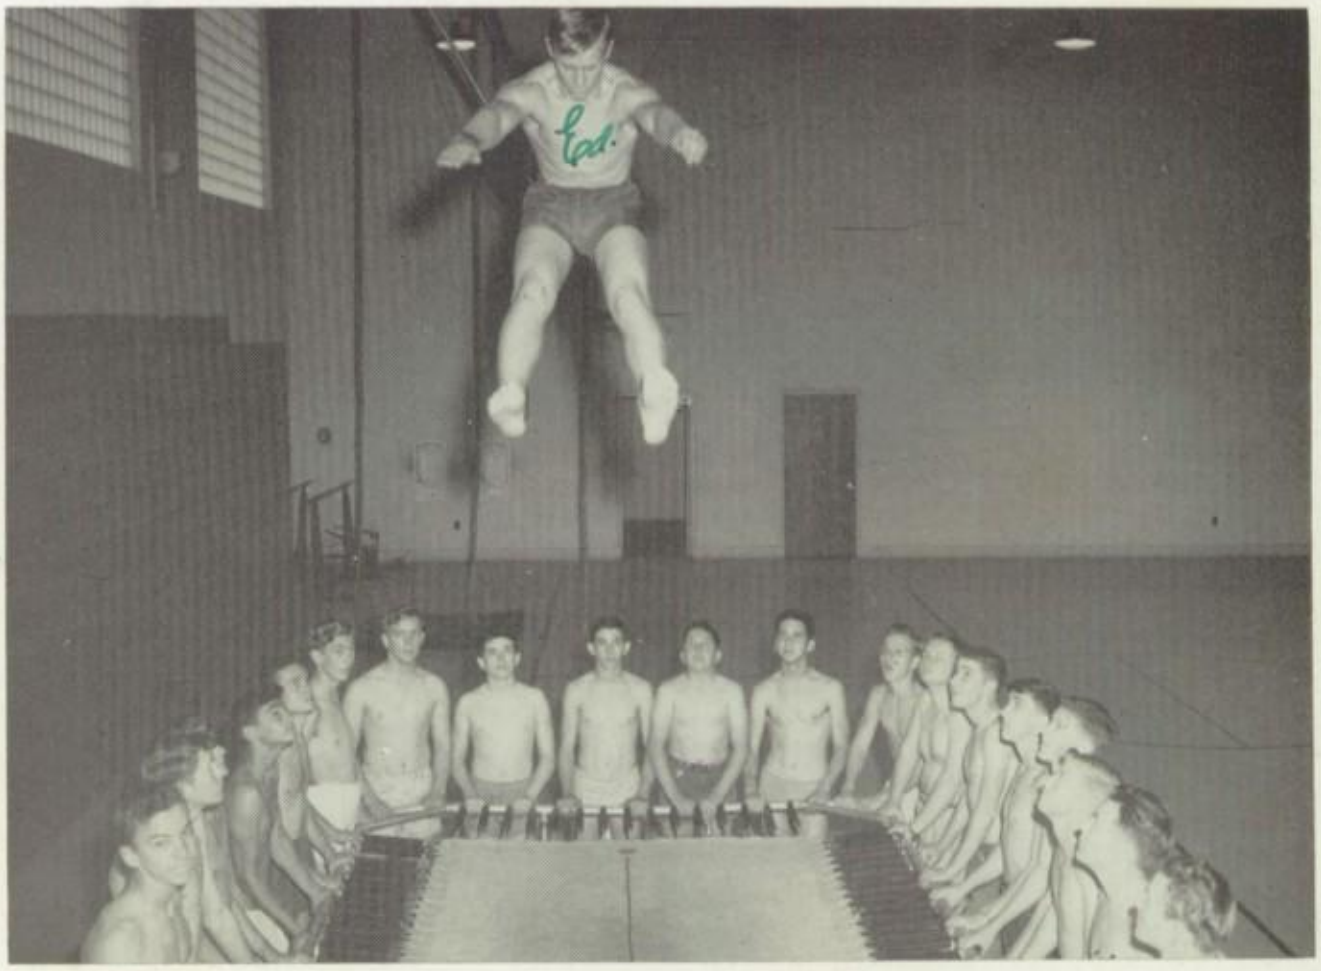
In an effort to give each boy in school a chance to indulge in the sport which he enjoys most, the physical-education department of Boone High under the leadership of Athletic Director George Foti was brought about. Under the direction of Coach Harry Meisel outstanding boys were taken from the gym classes to form the Boys' Physical-Education Council. Through this basketball was set up. The winning team is pictured below. This spring intramural softball, horse shoes, and table tennis will be initiated. A rope climbing contest and an inter-class tug-of-war will take place. The Council sold the "Boone Brave" tee shirts and decals as a money making project. Through hard work the coaches and Council have given every boy a chance to enjoy his favorite sport.

WINNERS IN INTRA-MURAL BASKETBALL: Richard Jones, Dean Young, Bill Butler, Coach Meisel, Dan Polar, George Billig.

MAKING PLANS: Jim Wilber, Secretary; Bill Gardiner, President; Bill Shearin, Vice-President; and Robert Peaden, Treasurer of Barbell Club.

Program Interests All Boys . . .



The trampoline with its performers always draws a group of boys to see how it is done. Here Ed Rush gives the fine points in a class demonstration.

Monkeys . No, just Ed, Edmond, and Robert.

Coach Harry Meisel has obtained weights, tumbling mats, the horizontal bar and horseshoes in addition to the trampoline for his physical education classes.

The boys also participate in inter-class football, volley ball, and basketball. This spring, inter class softball will be set up.

We all agree that Coach Meisel has continued his excellent job in keeping every boy interested in this constructive and body building program.

BARBELL CLUB: First Row: **Charles Fekany, Bob Glisson, Ray Cartee, Fay Cartee, Ken Paulding, Charles Prather.** Second Row: **James Glisson, Mike LeBruno, Jim Pitts, Ed Rush, Frank Thomas, Ralph Pike.**

A new organization this year at Boone High is the Barbell Club. The purpose of this club is to encourage and enlist any boy in school in body-building activities by weight-lifting.

Under the direction of Coach Harry Meisel the Barbell Club sponsored an intramural weight-lifting contest. The first place winners are pictured below.

On March 27 the Barbell Club will sponsor the first state high school weight-lifting contest. Boys from all over the state are expected to participate. The Barbell Club also plans to sponsor a Mr. and Miss Boone High. The muscle men, as a money making activity, sold cold drinks and candy at the basketball games. Good luck to this new organization.

With a team of twenty-five boys and girls the Boone Tumbling Team can be seen holding regular practices in the gym under the direction of Coach Harry Meisel and Co-captains Flossie Winfree and Jim Bradshaw.

Performing over Central Florida, the tumbling team, many times, working under extreme conditions of small stages and low ceilings, came through with flying colors.

Participating in the Amateur Athletic Union Meet in Tallahassee, the tumbling team took both ends of a first place tie and a second in double balancing, a first and second in triple balancing, a first, second, and fourth in girls' tumbling and a second in boys' tumbling. Congratulations to those who participated. They are Bradshaw, Thomas, Paulding, Pitts, Blackmun, Hayes, Schultz, Winfree, and Hirsch.

Boone Looks Forward

When baseball season rolls around, there come boys of all sizes who hope to make the team. Unfortunately, all of these hopefuls, pictured here, won't make the squad, but we are sure that Boone will field a strong team able to stand up against any in the state.

"Play ball! You're out!" and the game of rhubarbs is on. America's favorite pastime, baseball, will swing into action around Boone on April 3 when the Braves play Winter Park. Coach Foti's nine will have the pleasure of playing on a brand new baseball diamond, constructed with the help of the City Fathers and the Orlando Recreation Department. The Braves will play 13 games, 8 of which are at home. "Brave Followers" wish the Foti-men, captained by Gerald Rooks, the best of luck for a good season.

Coach Gil and Mgr. T. Clements

The Boone High Thinclads of Coach Gilmartin will be starting off their first track season under a few rough handicaps. The Braves' followers are unfortunate in that they will not be able to see their team in any home action. Coach Gil has only three returning veterans, Joe Davis and the Brim twins, John and Tom. With these two setbacks, the outlook for a good season is a little misty, but we feel that the remarkable Coach Gil, who is known for raising a little team into a powerful one, will somehow build the BHS Track Team into a squad of boys that will be respected by every high school in Florida.

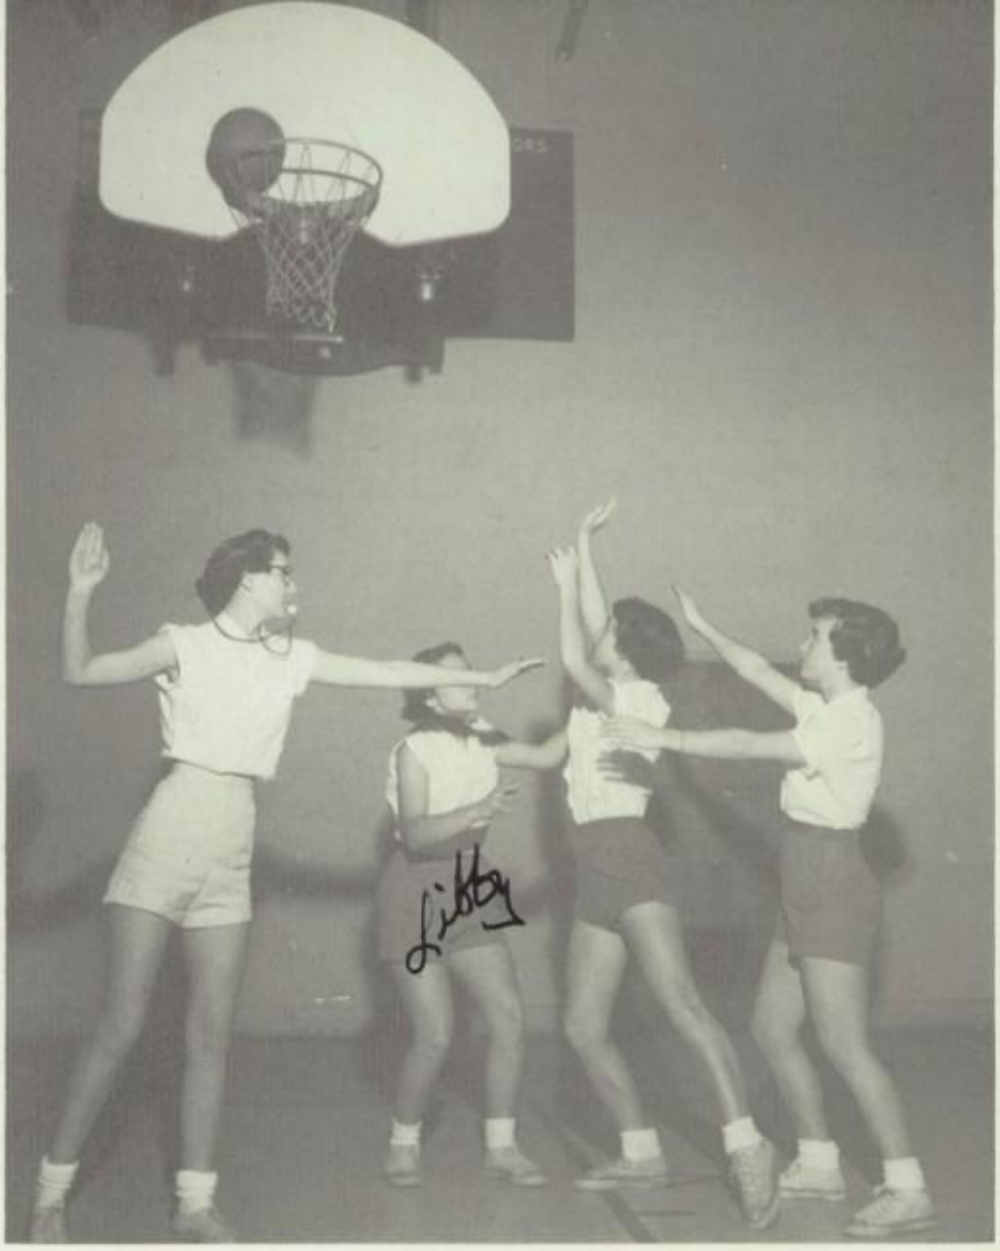
Senior Stars win Honors of the Season.

A group of seniors who showed their ability in playing and in sportsmanship. They edged their way to a win over the Jerks and Pepsters for championship both in Volleyball and Basketball.

Setting a good example for the rest of the school, the Baby Braves brought home the first cup for the shelves of our empty trophy case.

Volleyball is a part of our daily Physical Education Program.



Girls practice basketball during class period. Will it or Won't it?

Our girls' intramurals program is an interesting one. This year we have had regular calisthenics and have had loads of fun square dancing with the boys in Mr. Meisel's classes. We have played Volleyball, Basketball, Soccer, Badminton, and Softball in our regular class work. After practicing these various sports in our daily classes, we made up our teams and chose names —crazy, appropriate, and otherwise.

Miss Judy Walker is our new girls' Physical Education teacher. Although she is only a half-pint size, she keeps us girls on our toes.

We feel that our Physical Education program is necessary and beneficial in our high school.

The Pepsters offered stiff competition to the Senior Stars before placing as runners-up in volleyball.
